

# STRONGER TOGETHER

## Join CRMCA PAC

Government decisions and regulations affect the concrete industry every day. It's time to elect leaders who will stand with us.

**CRMCA PAC is the political action committee of the Carolinas Ready Mixed Concrete Association. We support pro-concrete candidates and legislation to protect our future.**

**When you join CRMCA PAC, you can:**

- Help elect those who will defend our industry, regardless of political party
- Promote pro-concrete legislation and relief from unnecessary regulatory burdens
- Educate influential lawmakers about issues that matter to YOU and your business
- Pave the way for new business opportunities
- Ensure the voice of our industry is loud, clear and powerful in state government

CRMCA PAC is funded entirely by voluntary contributions from members of the concrete industry. Whether you are an owner, manager, key employee, or delivery professional, we need your voice.

**Can we count on your support to be Stronger Together in 2020?**

# STRONGER TOGETHER

**2020 is a critical year with ALL state legislators up for re-election. By supporting CRMCA PAC, you can help elect leaders who will take a stand for our issues. Our future depends on it.**

**Our Goal: \$30,000**

*We are fighting for legislation to help our industry and we need you.*

Where we are now
